**Subject:** Follow up Bankers Network Services

Hello Gentlemen,  
I hope all is well. I wanted to follow up and see how everything is going with the business?

I received some emails this week that mentioned CTS was approved for additional Working Capital. The approvals are from Banks that you currently have loans with. They are interested in adjusting the terms, and they would also like to lend you additional capital if needed.

Give me a call at your convenience to further discuss.

Best regards,  
Kris
